- 
- A woman with blonde hair, wearing a red halter-neck dress, is sitting on a blue sofa. She is looking towards the camera with a slight smile. The background is a dimly lit room with warm lighting and a large window.

WHY DO YOU NEED TO DEPOSIT MONEY INTO G-STATION ?

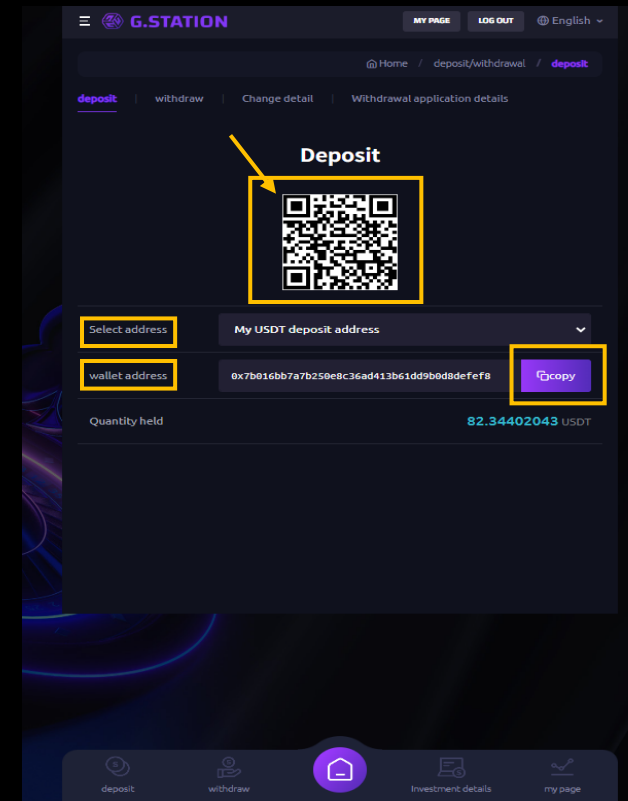

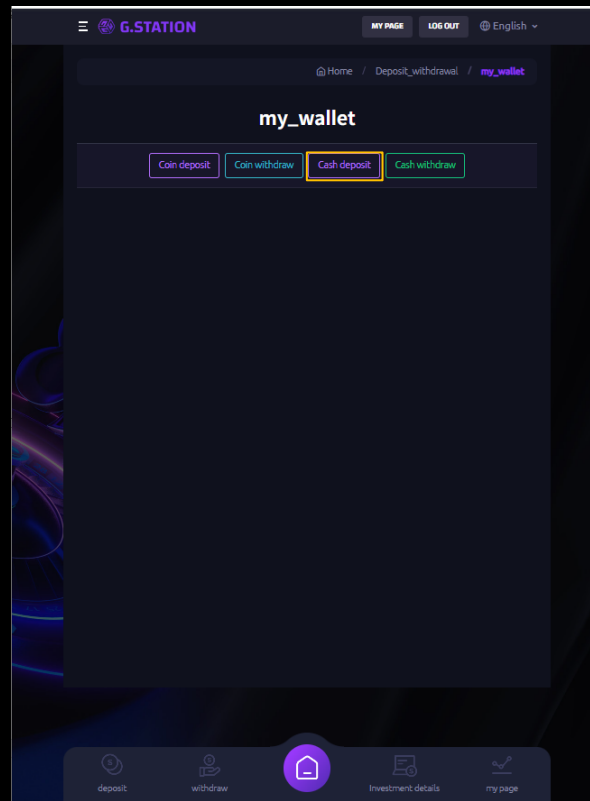

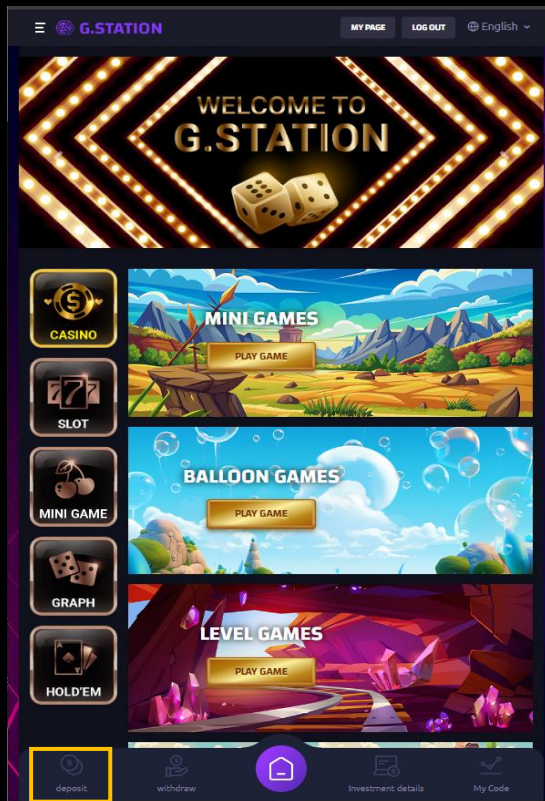

User-friendly interface

Variety of games

Attractive promotions

Professional customer support

To deposit funds into your account using the QR code method, please refer to the instructions below:

You need to access the '**Deposit**' section > Select '**Coin Deposit**' > The screen will switch to the quick transfer **QR code** interface. Use your **Mobile Banking app on your phone to scan the QR code** and proceed with depositing funds into your account.

* After verifying the information, click "**Confirm Deposit.**" The system will send a deposit completion confirmation notification. The player must use a mobile banking application to transfer to the provided account.

***Important:** When transferring, make sure to accurately enter your game account name in the transaction details. After the transaction is complete, save the transaction receipt for verification if necessary. The system will promptly update the amount in your account.

WITHDRAWAL GUIDE

Many people still do not know how to withdraw money from their G-STATION account.

Therefore, let's take a look at the methods and conditions for withdrawing money from G-STATION, as well as general methods and precautions during transactions.

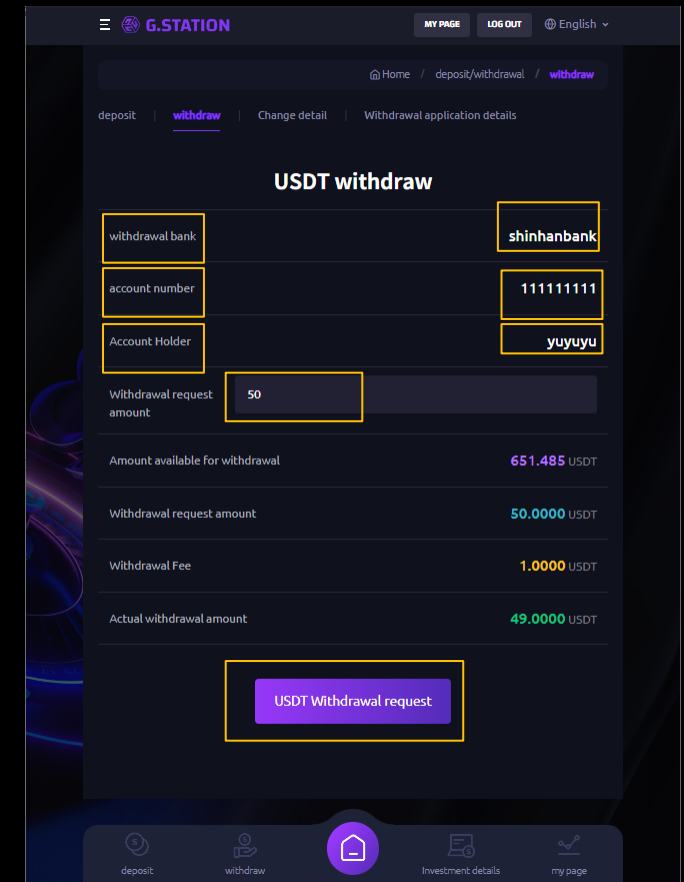

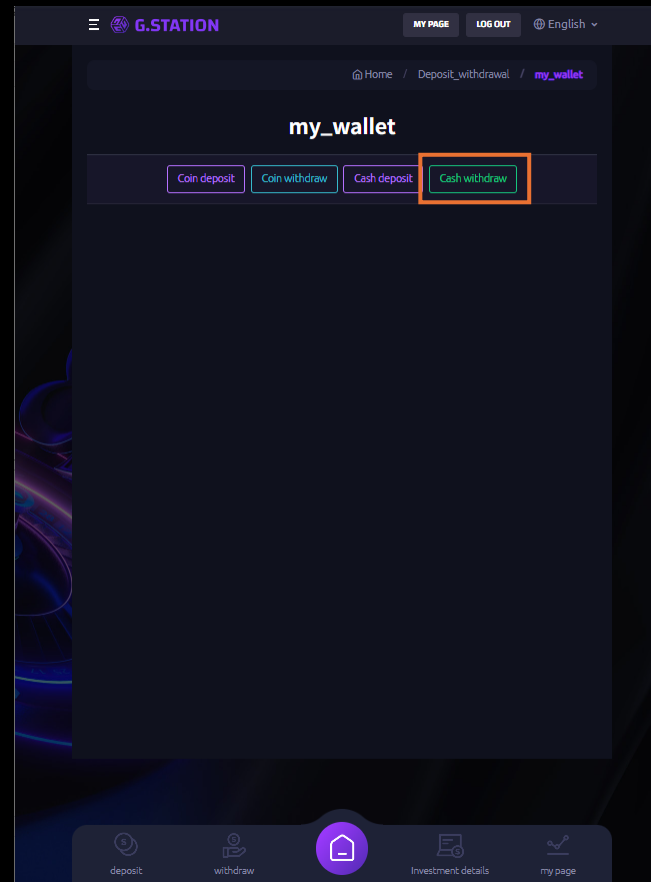

DETAILED WITHDRAWAL METHOD

* Method 1 :

First, you need to log in to your **G-STATION** account using authentication information such as your username and password.

Once logged in successfully, From the main screen, select > **DEPOSIT** > **CASH WITHDRAW** > Enter account number > Enter withdrawal amount > Select **USDT WITHDRAWAL REQUEST**.

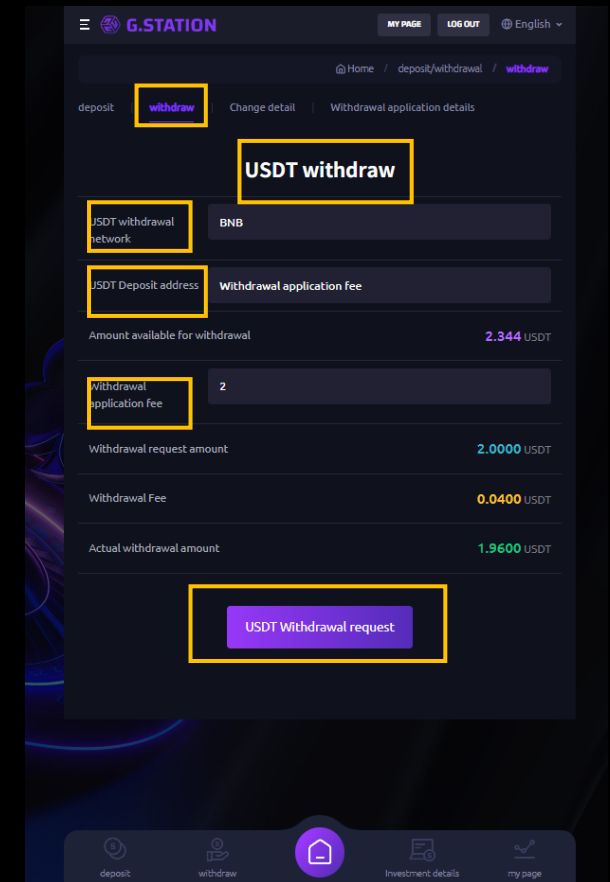

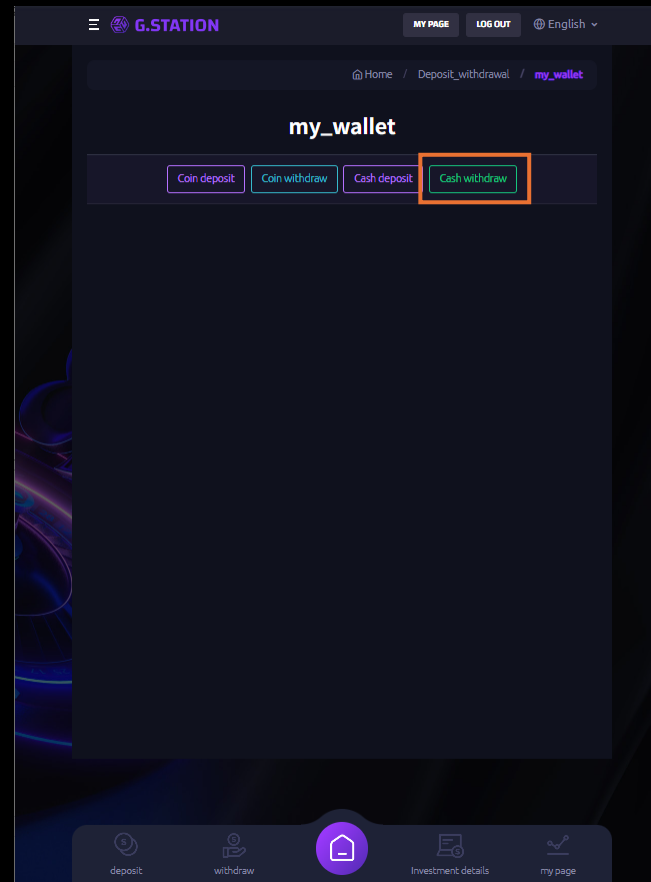

Currently, **G-STATION** only supports withdrawals to your bank account. Therefore, make sure you have updated your bank account information under your name, which is the same as the name used when registering your G-STATION account. After providing all the information accurately, you can request a transfer from your **G-STATION** account to your bank account. This transaction usually takes about 5-10 minutes, and transfer fees may apply depending on the bank.

DETAILED WITHDRAWAL METHOD

* Method 2 :

First, you need to log in to your **G-STATION** account using authentication information such as your username and password.

Once logged in successfully, From the main screen, select > **DEPOSIT** > **CASH WITHDRAW** > **USDT Withdraw** > **USDT withdrawal network** > **USDT deposit address** -> **Withdrawal application fee** > **USDT Withdrawal Request**

Currently, **G-STATION** only supports withdrawals to your bank account. Therefore, make sure you have updated your bank account information under your name, which is the same as the name used when registering your G-STATION account. After providing all the information accurately, you can request a transfer from your **G-STATION** account to your bank account. This transaction usually takes about 5-10 minutes, and transfer fees may apply depending on the bank.

G-STATION WITHDRAWAL REQUIREMENTS AND CONDITIONS

- To ensure the safety and security of accounts, G-STATION follows several conditions and requirements when making withdrawals.
- If the balance is insufficient, the bank cannot process the transfer or withdrawal
- Additionally, to protect the rights of customers, the bank requires identification and documents proving account ownership when performing transactions related to this account.

WITHDRAWAL PRECAUTIONS

Before making a withdrawal from your G-STATION account, you should review a few precautions to avoid unforeseen issues and risks.

- **First**, verify the recipient's information accurately to prevent transfer errors.
- **Second**, be mindful of the bank's peak hours to avoid long wait times and ensure you are not affected by holidays, weekends, or bank operating hours.
- **Additionally**, enter your OTP code and personal information accurately and securely. To prevent fraud, do not share your OTP code or personal information with anyone, including bank staff. If any issues arise during the withdrawal process, contact the bank immediately for assistance and resolution.
