Non-members, please sign up before using the service.

To register, click "join" on the main screen, then enter your ID, password, and the registration code received from the referrer to complete the registration. (The referrer can click "my page")

Click "MY PAGE" at the top of the screen to display the profile page (Figure 1).

Then, click "Recommender" to display the referral code (Figure 2).

After confirming the referral code, please send it to the new user who is registering (Figure 3).

When the user enters that code, registration will be complete, and the user can log in to their account (Figure 4).

Login Instructions:

**Step 1:** First, go to the gstation.store website.

Step 2: On the main screen, select the "Login" function. When the login window appears, enter your ID and password, then click the "Login" button at the bottom to log in.

Note: Users can save their information on the website to shorten the login process. However, never save your information when using a public or someone else's computer.

- How can I withdraw money?

- Is it difficult to use customer service?
How can I access it?

- What should I do if I forget my password?

FAQ - Answering Your Questions

GSTATION WEBSITE DESIGN :

- G Station's design is sophisticated, harmonious, and uses subtle colors to give a professional and attractive feel at first glance. Elements are laid out cleanly and clearly, making it easy for bettors to find information and navigate the website.

- User interaction and experience are also important. Gstation's interface is optimized for mobile devices, making it compatible and convenient for both smartphones and tablets. This makes it easy to access and participate anytime, anywhere.
